Snowbirds A Go Go: Our social event this month was a relaxing and fun event. We played very social tennis followed by a demonstration of Red Ball. Our guest speaker Joel Piaskowski, explained how successful Red Ball tennis has been at Sun City West. Players then went on the courts to give Red Ball a try and did very well. I believe this new form of tennis will fit in very well with our tennis club.

After the Red Ball demonstration Lynne Carlyle and her performers entertained everyone with a short skit of synchronized swimmers. The entertainers were Kathy Carver, Pat Ingalls, Mary McConaughey, Karyn Swinford, Mike Harter, and Dave Kersey. Well done ladies and gents.

After a morning of fun, social tennis, Red Ball and great entertainment, lunch was provided by the club organized by Debbie Welsh and crew. Well done!

The bar was handled by Bob and Karyn Swinford with a variety of adult beverages and sodas.

Carrie Ingersoll, Tournament Director, handled the court assignments with grace and organization.

During the event, our Secretary, Sheri Wallace, managed a successful raffle that generated over \$200.00 that three winners split.
